FEATURES & BENEFITS

5-Zone Rotary Induction Cooktop

Offers precise, efficient cooking with instant heat control. The bridgeable left-hand zones accommodate larger pots and pans, while the 3 temperature presets, Auto Heat-up function, and timer offer added convenience.

Multi-Cavity Oven with 215L Cooking Capacity

Three spacious ovens, including a 73L Multi-Function Oven, 45L Conventional Oven & Maxi-Grill™, and a 97L Titan™ Tall Oven with a PROFLEX™ Splitter for cooking multiple dishes at different temperatures simultaneously.

Air Fry for Healthier, Faster Cooking

Cook crispy, golden meals with little or no oil using the Air Fry function. It offers healthier alternatives to deep frying while maintaining the texture and flavour you love.

Steam Assist

Enhances your cooking by adding moisture, keeping dishes tender and flavourful, while also simplifying cleaning by loosening stubborn splatters and stains.

Pro-Trac™ Telescopic Rails

Fully adjustable, full-extension telescopic rails offer safe, effortless access to your dishes, preventing the need to reach into the oven.

TrueTemp Digital Thermostat

Ensures precise, consistent cooking results within the Multi-Function Main Oven cavity. Set your desired temperature in 5° increments, allowing for accurate temperature control and perfect dishes every time.

FUNCTIONS

Cavity One

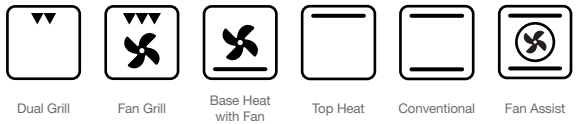

Multi-Function Grill | Conventional

Cavity Three

Fan Forced | Slow Cook | Keep Warm | Dough Proving | Light

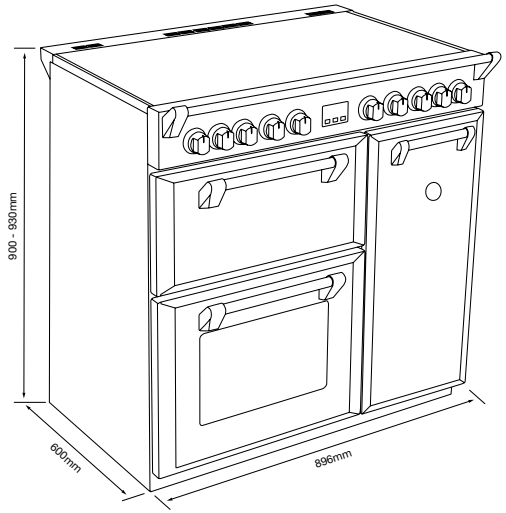

Cavity Two

Dual Grill | Fan Grill | Base Heat with Fan | Top Heat | Conventional | Fan Assist

Fan Forced | Pizza | Air Fry | Steam Assist | Defrost / Dough Proving | Light
