- 250g beans container

4 BLACK AND WHITE ICONS FOR DIRECT DRINKS

Explore an intuitive interface and functionality with dedicated black and white icons for your favourite drinks.

Enjoy quality coffee with Magnifica Start with Milk, an automatic coffee machine that is reassuringly simple to use and maintain. Enjoy rich aromas and delicious flavours from fresh coffee beans, as well as hot, smooth textured milk, for café-quality coffee, in the comfort of your home. Choose from 4 one-touch coffee recipes, make your selection through the user-friendly interface, and savour the flavour with every sip. It is always easy to enjoy quality coffee, the way you like it, with a De'Longhi coffee machine. Perfetto.

EASY MAINTENANCE SYSTEM

Automatic "clean" function for the milk carafe to easily eliminate milk residues before storing it in the fridge. Anti-scratches drip tray with stainless steel cup holder and extractable, dishwasher-safe plastic grid & tray to ensure durability and easy cleaning.

LATTECREMA HOT SMALL CARAFE

Enjoy a perfect mix of pleasure: your creamy milk drinks, with dense milk foam, always at the perfect temperature, until the last drop!
