Chester 80 x 50 Double Flat Fine Fireclay Farmhouse Butler Sink with Taphole and Overflow

Specifications

• Double-glazed ceramic fine fireclay sink
• Made in Portugal
• Waste with overflow kit included
• Product weight: 45kg
• 1 tap hole only
• Waste outlets included: 90x50mm Stainless Steel Basket Wastes
• Capacity Per Bowl: 30L
• Internal depth: 180mm
• Suitable for use with food waste disposer – we recommend purchase of an extended flange and a model with anti-vibration collar
• Fine Fireclay is a natural product and therefore subject to variations. This should be seen as a quality that adds to its unique natural beauty. Variations +/- 2% to the specifications are common and acceptable and are within industry tolerance. We always recommend the cabinet maker and stone provider has the actual sink with them to measure before making cabinetry or cutting stone. For more information please visit our Installation, Care & Warranty page, or Contact Us.
