

247L top mount fridge, silver with FreshCrisper, Twist & Serve ice maker & 3.5-star energy rating

Product Details

FEATURES

FreshCrisper	Multi-flow Air Delivery	Twist & Serve icemaker with bin, moveable	Reversible door
Chiller drawer	Inverter Compressor	Frost free	LED lighting
Egg tray	Temperature sensor		

BENEFITS

Keep your food fresher for longer with our Fresh Crispers. Our crispers help to maintain the right environment for your fruit and vegetables. High humidity helps veggies like broccoli and lettuce stay crisp, while low humidity suits fruits like apples and pears.

Multi-Flow Air Delivery System

Fresher food means tastier food. The Westinghouse Multi-Flow Air Delivery System keeps the temperature stable so every ingredient in the fridge stays fresher for longer.

Perfect for family favourites

Whether you have a party coming up or love your deli meats and cheeses, theres plenty of space for all of your favorites. The DeliFresh Drawer compartment stays cooler than the rest of the fridge, with active cold air circulation to keep your favourites at their best for longer.

Twist Ice and Serve Dispenser

Whether its for an afternoon juice or a whisky on the rocks, our easy access twist ice dispenser and tray allows you to just twist and serve ice simply.

Quieter, energy-efficient fridge

For a quieter*, more energy-efficient** fridge - our inverter technology adjusts to your fridges cooling needs, keeping the temperature just right for your fruits and vegetables while using less energy.*Tests by Eurofins Thailand Laboratory on compressor running noise level. **Internal tested single speed compressor compared to inverter compressor.

Specifications

PRODUCT PROFILE

Domestic warranty details (yrs)	2
Refrigerator Type	top mount
